System Requirements For Penguin:

Linux – Ubuntu 10.04 or later Linux – Ubuntu 12.04 or later Mac – OS X 10.5 or later Windows – Windows 7 or later Introduction: Way back in the late 90s, the original Diablo was revolutionary for it's graphic quality, immersive world and revolutionary level-up system. For the first time ever, the player had the ability to share items with other players, and this was done by trading with other players at local taverns. Trading allowed players to carry enough items to be not only self
